

# X's and O's Cowl

Nora Malvinas Worsted Wool Yarn was used for this project with a size 7 and 6 needles But depending on how tightly you knit I would recommend a going up a needle size.

### The X's and O's Pattern:

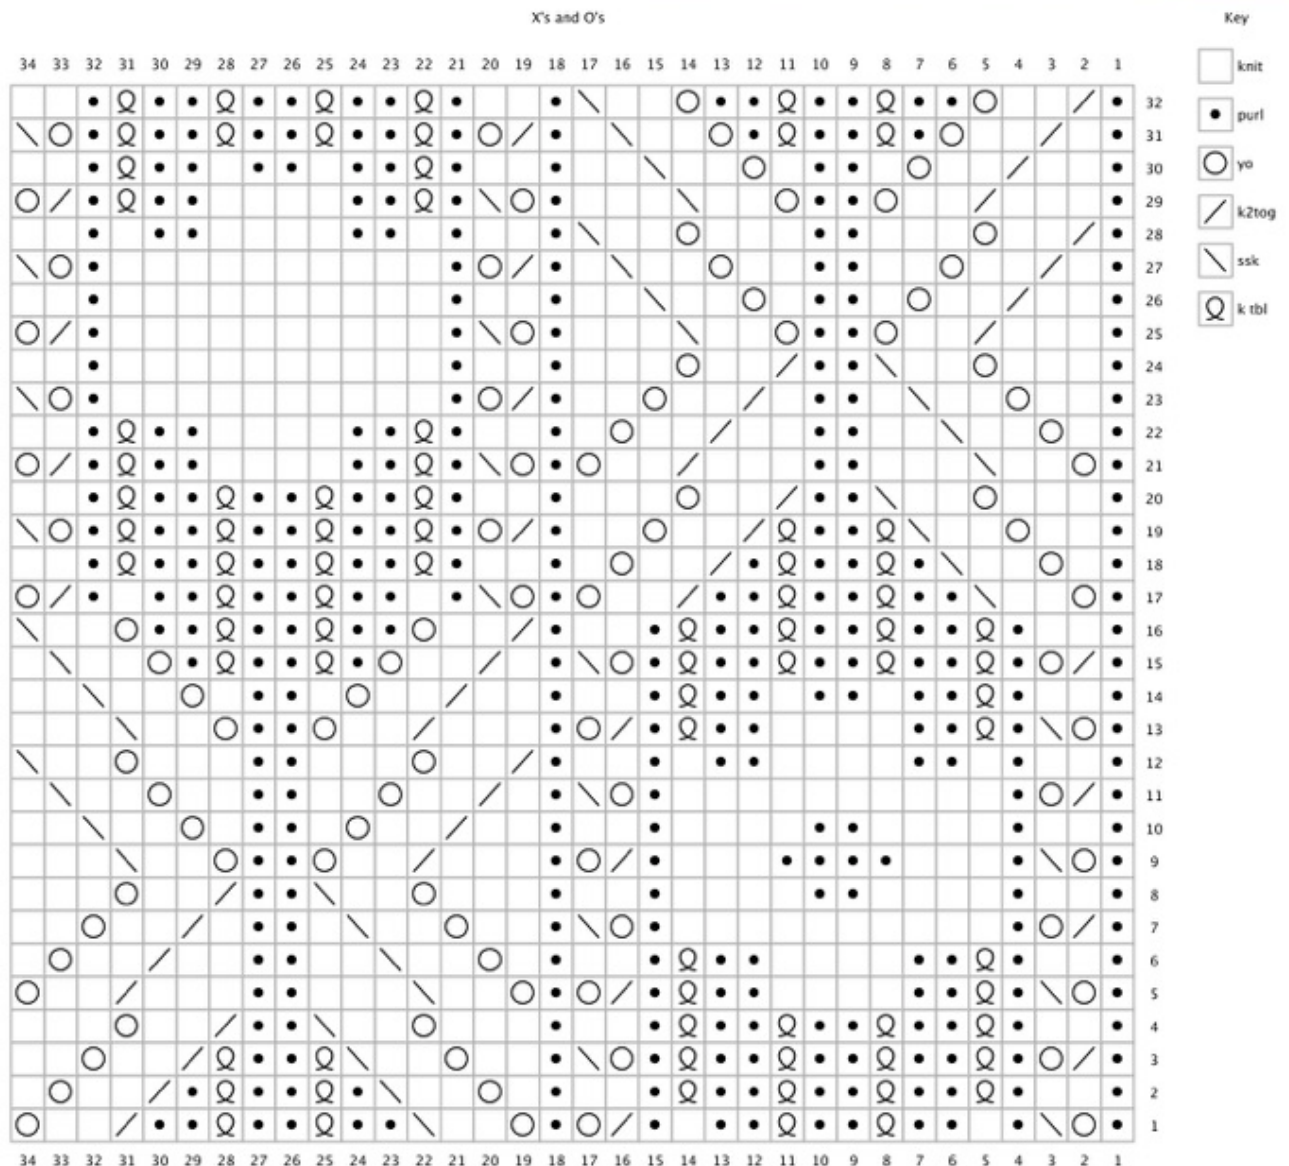

I used this to create a cowl.

The below diagram is the pattern for the design with a repeat of 34 stitches. I also have provided single pattern written instructions for the design.

I casted on 102 stitches (with a larger needle I used a size 7 needle to start with) Using a K1 P1 rib. I would recommend to do at least 8 rounds of K1 P1 but you can do as many round as you would like.

Still using the size 7 needle start the X & O pattern (I use 3 pattern repeats) At row 20 is where I went to a slightly smaller needle. Size 6.

I did 2 rounds of the pattern so 64 rows then I did K1 P1 for the top ribbing. You can make this your own by adding more rows for a larger cowl.
